Thank you for interest in our FUNdraising Journey

I am once again thrilled to report our progress on our FUNdraising Journey. To date, we have raised over \$5,770 for worthy organizations. This month they included the Carman School Library Revitalization Project, The Somerset School, The Miami Post Secondary Education Fund, The South Central Cancer Resource (SCCR), The Calgary Waldorf School, Ride for a Cure for Kid's Cancer Care, and World Vision. On top of this, we had Brian, Patricia and Isabella Howe buy 12 books for donation to the AB Children's Hospital. My faery friends and I are incredibly grateful for everyone's generosity. May the best of the season be bestowed unto each and every one of you.
